Subject: Blessed Ramadan

In the name of Allah the Gracious the Merciful.

"Fight then in Allah's way; this is not imposed on you except in relation to yourself, and rouse the believers to ardor maybe Allah will restrain the fighting of those who disbelieve and Allah is strongest in prowess and strongest to give an exemplary punishment." Allah Almighty has spoken the truth.

Peace and Allah's mercy and blessings be on you.

It is as Allah has pleased. It is as Allah has pleased with you O my dear. Indeed the photos for the two targets and the explanations on them are wonderful.

Indeed I and the leaders working with me in the jihad for the sake of Allah are very proud of you for being a true Muslim and brave and intelligent courageous and thinker in the details of the battles. Indeed your innovation and your patience and your endurance and preciseness of your preparation for the operations are exemplary and worth of praise. My prayer for you is for success and my prayer is that the Creator counts all your labor and contribution as good deeds in your scales the Day of Judgment. I even noticed in your last messages that you are using the name "al-Ayyubi" instead of "Aba al-Ayyubi". This is an indication from Him be He exalted that you will participate in supporting our religion and our cause and expulsion of the infidels from the land of the Muslims completely as your model Salah al-Din al-Ayyubi did before. My brother, indeed the time already has gotten very near to strike the enemy in his own home a hurtful strike and upcoming and consecutive strikes. So are you ready?

My dear, already I became happy upon my reading in your message before the last that you observed the presence of the innocent children and the families in the designated target and you attempted to avoid [UI] from them. This indicates your maturity and your taking after the Prophet, Allah's blessing and peace be upon Him, and the Muslim leaders and the conquerors. Then O my dear, please explain to me what your understanding is and what are your expectations about the casualties in the upcoming victory day?

Also, already you told me that indeed you searched and found another target more important than the first and more suitable, and good that you sent to us the photos of the new target and of the first. I am awaiting your details and the result of your researches for the second target just like you did for the first target in your message before the last. My dear, indeed the two targets appear to be good to us. You are in the battle field and you are the best who can choose between

these two targets. You choose what you think is indeed safer and more secured for you during the execution of the operation.

My dear, this day is your day so that you show to us and to the commander the extent of your commitment and your courage. We are awaiting your details and the result of your researches and will proceed immediately to decide in its matter. Also we will send to you in the near upcoming days the brother Hussein for the follow up and for the decisions and for the details face to face.

Pray for the success in the sake of Allah and for the safety of the Mujahidin brothers and especially the Sheikh the commander. And peace and Allah's mercy and blessings be on you.

Your brother: Rafiq

"Yet why did they not, when Our punishment came to them, humble themselves? But their hearts hardened and the Shaitan made what they did fair-seeming to them." Allah Almighty has spoken the truth.
